

“Don’t We Already Do Inclusion?”: School Improvement Planning Form

- This form is designed to be used with small groups (e.g., PTAs, steering committees, administration teams), but it can also be completed by a single stakeholder.
- Skim the book and choose 1 idea from each section to explore further.
- Fill in the table and use it as a guidepost for completing tasks & making changes.
- When tasks are completed, start again with new ideas.
